Some OF YOU ASKED - WHAT IS AN ART ESCAPE? It is like a spa day for the soul. I teach an art lesson (this time collage) to a small group of lovely women that is fun, relaxing and inspiring. This is followed by a potluck lunch. You leave feeling like a million because you have created, learned, laughed and ate very well. I have been teaching these for fifteen years and I have women who travel far distances to come, some bring their mothers, daughters, and friends. Regardless of your art background (no one is an artist except me) you will have a ball.
